Career Mentoring

You can also read some of the career questions answered by our experts

<http://www.questpond.com/CareerFaq.htm>

Do you have a career question then we have industry people with us who can guide you. Career mentoring is absolutely free through emails so do not shy of for sending mails for simple things also.

We have five people team with us currently. Just put every one in CC including me some one will definitely answer you. And because they work in the industry they are the right persons for the same. When you email, note to put the following things in the Email topic which will make us easy to answer. If you are looking for Architecture Career email saying "Career Counseling for Architecture", if you are looking to grow as a project manager email saying "Career Counseling for Project Management" and so on. This way the right people will answer you.

Below are the emails CC every one so that someone will answer you definitely.

Crash course

We have launched crash course in Mumbai. Courses are conducted by senior people who are working with industry, so you just do not learn courses but also best practices attached with it. We only take three people per session. Exceeding people more than that hampers quality. Even after the course is completed you can still talk with our faculty for doubts. We offer express editions software's so that you can practice later.
